

Swift Glass Company Inc. is a worldwide leader in the manufacturing of quality fabricated glass parts. Located in Elmira Heights, NY. We offer highly competitive compensation and benefits package that includes health care, 401k, paid vacation and holidays.

We are currently looking for a machine operator with the experience, capability and technical knowledge to do the following:

Work with blueprints and understand dual dimensioned specifications and tolerances

Ability to hold tight tolerance specifications to meet customer and quality requirements

Understand and utilize inspection tools

Ability to communicate and work well with others

Willingness to learn and cross train

If interested, please contact
