---

Seneca Shine is seeking an energetic person to manage our auto-detailing business. The ideal candidate will have had customer service experience and is comfortable using a computer based point of sale system and scheduling software.

The position job duties related to detailing include, but not limited to washing, waxing, polishing, vacuuming, and other general cleaning. High school diploma/equivalent and clean driver's license required. First Shift, Monday-Friday.

The crew supervisor position is a 35 hr/week and available immediately. Paid time off, 401(k), medical/dental insurance and other benefits available. Seneca Shine is operated by the Business Services Division of The Arc of Chemung-Schuyler. If interested, please apply online today.
