Getting to DegreeWorks

1. Look for “Degree Evaluation” and click on it.

2. Select “Corning” from the list of schools.
3. Type in your student ID, or use “Advanced Search.” to search by name
4. From here, you will be able to see every course you have taken or are currently taking through CCC. All of these courses will be listed as “Fall Through,” unless you have a degree selected.

Using What-If Scenarios

DegreeWorks allows you to select different degree options to see how your current credits will fit into that degree’s requirements. This can be beneficial to see how your credits work, and to determine what classes you need to take to get your desired degree.

1. Below the box with your personal information there will be two options “Academic” and **“What-If”**. Select **“What-If.”**
2. In the first box, choose the catalog year that you are expecting to graduate high school
3. Then select “Program.” You can select which program you are interested in viewing.
4. Select “Process.” at the bottom of the screen
