Verification Frequently Asked Questions

1. What is verification?

The verification process is designed by the U.S. Department of Education to assure that the student has reported all information correctly on the FAFSA and will receive all of the aid for which he or she is eligible so it is important to provide all requested items as well as carefully and thoroughly completing any necessary forms.

2. What documents do I need to submit with the verification form?

It is important to review the verification worksheet to be sure all questions have been answered, there are no blanks and all required signatures are on the form.

If the student and/or parent filed a 2020 Federal Income Tax Return and the IRS Data Retrieval Tool (DRT) was **not** used when completing the FAFSA a signed copy of the 2020 Federal Income Tax Return is required.

If the student and/or parent did not file a 2020 Federal Income Tax Return but had income from working in 2020 a copy of the W-2 form from each employer must be included. Parent must also provide a Verification of Non-filing Letter from the IRS by going to www.irs.gov and selecting "Get Your Tax Record" and then "Get Transcript Online"

3. What happens after I submit the verification worksheet and all required documents?

After the complete verification packet is received it will be reviewed and compared with the information on the FAFSA. If further information is required after the review, our office will notify you by mail or your CCC email. Our office will make any required changes to the FAFSA on behalf of the student, if necessary. **The complete verification review process may be 2 to 4 weeks.**

4. When and how will I know what financial aid I am eligible to receive?

Once the verification review is complete and any necessary corrections are made to the FAFSA (2-4 weeks after all required documents are submitted), our office will determine the student's financial aid eligibility. The student will receive an award notice from our office by mail and/or email with instructions on how the student can access their awards in MyCCC along with information on the next steps required before the aid will pay to the student's tuition bill. The award letter will include the funding sources (grant aid, student loans) and amounts.

5. Is there a deadline to submit the verification packet?

Please submit all required documents within 20 days of receiving the verification worksheet. However, we will continue to accept documentation through November 30, 2022 for the fall semester and April 30, 2023 for the spring semester if the student is currently enrolled and has not withdrawn from all courses. After those dates, documentation will be accepted on a case-by-case basis as it may be too late to process corrections and award federal aid.
