

Instructions to Accept/Decline your Financial Aid

To receive **payment of your financial aid** you must accept the **Title IV Authorization** that is posted on the “Accept Award Offer” page in MyCCC.

Pell Grant and SEOG are federal grants that do not require “acceptance” but you must still accept the **Title IV Authorization** to receive these funds.

If you have been offered **Federal Work-Study and/or Federal Direct Loan**, you must accept or decline these funds. You can accept the full amount or a partial amount of the Federal Direct Loan. You may want to consider this when determining the amount of Direct Loan you will need for the academic year. In most cases there are additional requirements that you must complete each year for Direct Loan. Direct loan processing will be delayed if you fail to complete any additional requirements.
