# STRONG START
NEW STUDENT SUCCESS PROGRAM
SUNY CORNING COMMUNITY COLLEGE

A guide to a Strong Start at SUNY Corning Community College

Strong Start: Keys to Success

- Know your Academic and Career Pathways
- Online Learning
- My CCC: Your Student Portal and My Banner
- Paying For College
- Buying Books/Supplies @ Barnes & Nobles
- Student Life, Athletics & Perry Hall
- Health Requirements
- Know Your Campus Resources
- The Diversity Center

Academic and Career Pathways

What is Your Academic Major/Program?
- Selected by you and focused on your career interest.
- Are you still unsure about your career interest and academic path?
  - Connect with the Career Services Office located in the Commons building! **Contact them at careers@corning-cc.edu**.

What are the Course Requirements for Your Academic Major/Program.
- Typically each degree requires 62-64 credit hours of coursework to be completed to meet graduation requirements.
- Most programs require general education coursework along with specific courses directed towards your major.

SUNY CORNING COMMUNITY COLLEGE

Get the Right Classes

- Setting up an appointment with an Enrollment Specialist or Faculty (Academic) Advisor
- Knowing your availability with considering if you are working and your life responsibilities.
- We offer a variety of class options.
- Schedule what works best for you.
  - Day, Evening or on the Weekends.
  - In-Class, Online or Hybrid (combination of In-Class and Online)

Online Learning

Variety of Course Delivery Modes:

- **Online/Internet:** Enables students to work online, at their own pace without live class sessions. There are deadlines for course activities and assignments, but students access the course material when it is convenient for them.

- **Remote:** Classes are held online on specific days/times. Blackboard Collaborate, found inside your Blackboard course, is the most frequently used online meeting tool by our faculty. Students automatically have access to Blackboard and Blackboard Collaborate when they register for a course.

- **Hybrid Courses:** A combination of online/remote learning, along with the possibility of face-to-face instructions or exams.

Having computer and internet access is essential to your success, as a majority courses have some   type of online requirement. If you have questions or concerns, please reach out to our office for information about resources, including our laptop loan program

My CCC: Your Student Portal

My CCC is Vital to Your Success!
