

BEFORE REGISTRATION:

- ☐ Schedule an appointment with your Faculty Advisor to register. You can find your advisor's contact information in MyCorning >> MyBanner >> Student Self Service >> Student Profile.
- ☐ Check your degree progress and course requirements by going to MyBanner >> Student Self Service >> Degree Evaluation.
- ☐ If you are unsure which program or career direction is right for you, chat with our Career & Transfer team! You can make an appointment by emailing careers@corning-cc.edu.
- ☐ Make sure your account balance is under \$200. If it is \$200 or more, there will be a hold on your account preventing you from registering for classes.
- ☐ If you have taken or need to take a developmental course (i.e. ENGL 0980 or MATH 0960/0970/0980), you are required to take FYEX 1000 First Year Experience. This must be completed within your first 3 semesters.
