I understand that all academic and financial responsibilities must be met by the beginning of the semester. I also understand that my signature is binding and I must make any changes using the proper procedures and forms for this institution. Failure to do so may result in academic and/or financial liability and/or penalty. If under the age of 18, parent or guardian signature is needed. **My signature indicates that I have read, understand and agree to abide by the above terms.**

Date

All students registered for 6 credit hours or more in classes physically located on the Corning/Elmira campuses or other MUST submit:

NEW YORK STATE LAW: MMR REQUIREMENTS Records may be located at your previous college, high school or family doctor's office.

In accordance with NYS Law any student born after January 1, 1957, must provide proof of immunity to measles, mumps, and rubella, this requirement may be met by the following: Proof of disease, immune titers, or two (2) measles, one (1) mumps, and one (1) rubella vaccine given after the student's first birthday).

NEW YORK STATE LAW: MENINGITIS VACCINE The Center for Disease Control Advisory committee on Immunization Practices (ACIP) recently issues a new recommendation for college students registered for 6 credit hours or more: Students, especially those living in residence halls, should consider vaccination to reduce their risk for

MENINGOCOCCAL DISEASE. New York State Public Health Law 2167 requires:

- A response to receipt of meningococcal disease and vaccine information signed by the student or student's parent or guardian (if under the age of 18). **AND EITHER**
- A record of meningococcal meningitis immunization within the past 3-5 years; **OR**
- An acknowledgment of meningococcal disease risks and refusal of meningococcal meningitis immunization waiver signed by the student or student's parent or guardian (if under the age of 17).
